

# COMMINGLED RECYCLING PROGRAM

## PAPER

Newspaper, junkmail, envelopes  
Magazines, catalogs, paper bags  
Telephone books

## PLASTICS

Plastic cups, bottles, jugs, cartons  
Styrofoam cups, containers  
Look for triangle with 1 through 7

## GLASS

Food jars  
Beverage bottles

## CARDBOARD

Cardboard without packing materials  
Chipboard  
Boxes

## ALUMINUM & TIN

Aluminum, steel, tin cans  
Aerosol cans (must be empty)  
Foil and foil baking pans

## Recyclables Preparation

Please use this guide to assist you in properly preparing and disposing of your recyclable items. If you have any questions, please feel free to contact Parks & Sons Customer Service at (623) 974-4791, or visit us online at [parksandsons.com](http://parksandsons.com).

Recyclables must be relatively clean, dry, and empty. Examples of this include a mayonnaise jar wiped clean of residue with a spatula or emptying a soda bottle in the sink.

Lightly rinse the recyclable container, if necessary, to remove food particles. Recyclables do not need to be run through a dishwasher, but simply cleaned of most residue.

Remove non-recyclable material from the items (such as plastic cereal inserts). Plastic and metal caps and labels do not need to be removed from the recyclables.

**Do not place recyclables in plastic bags** – they should be uncontained when placed in your recycle container(s). Continue to bag and tie your trash placed in trash receptacles as doing so will help contain odors and reduce pests.

Place recyclables in the bin(s) of your choice (e.g. cardboard box, basket, plastic crate), which will be emptied and left for reuse on recycle days. *If you use a cardboard box and wish to keep it for future use, please mark "SAVE" on the side.*

Recyclables must be out for collection the previous night or no later than 5:30 am the day of service. **Place at the end of your driveway on the side opposite of the underground can.**

## Non-Recyclable Items

- Household trash
- Plastic bags
- Paper towels, napkins, facial tissues, diapers
- Hazardous waste containers
- Construction waste, wood
- Appliances
- Landscaping, yard clippings, trimmings
- Vehicle parts
