

POLICIES

Collection Time: Please have your Parks & Sons barrel(s) out at the curb by 5:30 a.m. on your pick up days as trucks will start collecting at that time.

Barrel Placement: Barrels must be placed at the end of the curb with the front facing the street. Do not place barrels near anything that might be damaged by the automated arms (provide at least four feet of clearance in all directions). Placing barrels near obstacles may prevent your trash from being collected. *If collection is provided in a service alley behind your home, the front of the barrel should face your home with the handles facing toward the alley.*

Multiple Barrels: If you have two or more Parks & Sons barrels, please place them at the street spaced at least four feet apart to leave room for the automated arms to grasp the barrels.

Containment: Bag and tie all trash before placing in the barrel. All trash must be contained in your barrel(s) provided to you by Parks & Sons and cannot protrude more than one foot beyond the barrel. **Trash not contained in your barrel(s) will not be collected and overfilled barrels will not be serviced!** Customers will be required to partially empty overfilled barrels and a truck will not return until the next regularly scheduled collection day.

Unacceptable Waste: Remodeling or construction debris, dirt, rocks, cement, or roofing shingles cannot be taken with the regular collection. If you need to dispose of these types of items, please contact Customer Service to make special arrangements (additional charges will apply).

Hazardous Waste: Materials such as motor oils, tires, car batteries, chemicals, and paint cannot be placed in the regular trash as they are considered hazardous. For proper disposal methods, contact Customer Service or visit us online at parksandsons.com/hazardous.

Large/Bulk Item Disposal: If you have an excessive amount of trash or large items to be disposed of that will not fit in your barrel, contact Customer Service to arrange for a special pick up and pricing.

BILLING

Payment: Balances not paid by the date indicated on the invoice may result in service being suspended and/or terminated. Once stopped for non-payment, there will be a fee to resume service.

Service changes: Modifications to your service must be requested in person, over the phone, or in writing. Contact Customer Service in advance as you will continue to be billed until such notification is received and processed.

2017 HOLIDAY SCHEDULE
